PER DEPUTY CLERKU.S. v. Max Vance | Number
4:24-CR-00015

Emergency Motion for an Evidentiary hearing
for ("second Emergency motion for Temporary
Release pursuant to 18 U.S.C. 3142(i) ")
or in the alternative, Motion for leave or
permission to file a Supplemental brief in Support
of ("second Emergency motion for Temporary Release")

Due to the extremely sensitive and personal
nature of the information that is being
proffered for the associated second temporary
release motion, which includes information
that could make me a target for retaliation
in prison from officials and others, the
forum that will provide the most beneficial and
efficacious environment for the comprehensive
and compelling proffering of information related
to the associated motion is an evidentiary
hearing. For this reason I am requesting
an evidentiary hearing for my "second motion
for temporary release."

Alternatively, if the request for an evidentiary hearing
is denied, I am requesting permission or leave
to file a Supplemental brief in Support of my
second motion for Temporary release.
